

MENTAL HEALTH CLINICIAN FAMILY SERVICES CLINIC – COLUMBIA, SC

South Carolina Youth Advocate Program (SCYAP) is seeking a qualified clinician to fill a position to work with children and families in an outpatient setting. The clinician will be conducting diagnostic assessments and providing psychotherapy to at-risk children and adolescents with high rates of trauma, emotional dysregulation, and behavioral problems. The clinician will be responsible for developing clinical documentation and recommendations for behavioral health services, collaborating and consulting with interdisciplinary treatment teams, and communicating consistently and efficiently to ensure clients' continuity of care. Position will be based in the SCYAP Family Services Outpatient Behavioral Health Clinic, located in Columbia, SC.

Position Requirements

- Professional licensure as an LPC, LMSW, LISW, or LMFT
- Prior experience in mental health providing therapy and diagnostic assessment required
- Experience working with child welfare, juvenile justice, and/or trauma treatment preferred
- Desire to work in a fast-paced office environment with a team of professionals
- Positive attitude and dedication to working with at-risk population
- Excellent clinical judgement with willingness and desire to work collaboratively with treatment team
- High energy, motivated individuals with strong work ethic and ability to work independently
- Advanced oral and written communication skills

For immediate consideration, please mail, fax or e-mail resume to:
