

Lex Cole
Chief Executive Officer

Licensed Psychiatrist
Family Services Clinic

South Carolina Youth Advocate Program (SCYAP) is a youth and family services organization offering an exciting opportunity for licensed psychiatrists to work with children and families in an outpatient setting. Psychiatrists will serve as a member of a child and family mental health services team, and will conduct psychiatric diagnostic assessments and evaluations or consultation, provide medication management, and provide treatment services to include individual and family therapy or crisis intervention with a telehealth component. Minimum of a Doctoral Degree from an accredited school of medicine with a minimum of one year of experience in the area of child/adolescent services, child welfare and/or juvenile justice. Must be licensed to practice medicine in the State of South Carolina and completion of full residency (4 years) in psychiatry. Board certification in child and adolescent psychiatry strongly preferred. Competitive compensation package and flexible scheduling offered.

Positions will be based in the SCYAP Family Services Outpatient Behavioral Health Clinic, located in Columbia, SC. Resumes can be sent to Angel Roddy (aroddy@scyap.com) Please put position title in the subject line.
